CVPS 2022

2022 5th International Symposium on Computer Vision for Public Safety

✦ ABOUT CVPS

CVPS aims to promote the in-depth integration between new technologies of computer vision and practical application requirements of public safety. CVPS will bring together leading researchers, academics, and engineers from the world to discuss novel theories, technologies, applications, and developments in the areas of computer vision for public safety. 2022 5th International Symposium on Computer Vision for Public Safety (CVPS 2022) will be held in the national historical and cultural city Xi'an on March 25-27, 2022. We sincerely hope to meet you in Xi'an, China.

✦ IMPORTANT DATES

Submission Deadline	**November 5, 2021**
